

Online Giving and Preauthorized Giving

Why Arrange?

For your convenience and Peace of Mind:

You no longer need to worry about writing cheques or carrying cash, as your contribution will be automatically withdrawn from your account OR you can make your contribution from the comfort of your home over the internet or telephone. It's a real help for those of us who are organizationally challenged – or just forgetful! This is an invaluable tool to help all of us who want to make our contribution to the Lord's work a priority.

Helps the church plan:

Giving is erratic at certain times of the year, especially in the summer months, when people are away. Preauthorized contributions help the church plan effectively, by knowing when tithes and offerings will be coming in.

We understand that not everyone will want to give in this fashion. Please read over this form and thoughtfully consider if it is something that you can do.

"But just as you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in your love for us – see that you also excel in this grace of giving."

2 Corinthians 8:7
