QUESTIONS

1. What can we learn from these different 'supply' stories in scripture: Manna and quail for the Israelites (Exodus 16); Elijah fed by ravens and by a widow (1 Kings 17); Satan's temptation of Jesus (Matthew 4:1-11) Jesus and the temple taxes (Matthew 17:24-27), the feeding the 5,000 (Matthew 14:13-21) and the supplies for the Passover meal (Matthew 26:17-19)?
2. Be honest - what are the challenges we face in our culture towards our daily needs that keep us from the humble posture we see in the Lord's prayer?
3. What are some of the practices we can keep to help us steer away from the belief that more 'stuff' will make us happy?
4. When we sit down to pray, what are some practical ways we can keep the kingdom prayers in front of our prayer for our needs?
